In Dörgicse, in the upper part of the town, on a plot with a wonderful panorama, a holiday home with a swimming pool is for sale!

The house was built professionally in 2002, with quality materials, wooden doors and windows. It is heated with a wood-burning stove, electricity and a tiled stove.

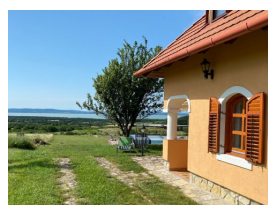

A 40 m deep drilled well on the plot supplies perfect quality, tested well water, which was also introduced into the house.

There are a total of 6 rooms (4 bedrooms) and 2 bathrooms on the 2 levels.

The plot is 4239 square meters, 30% of which can be built on.

The covered pool overlooking Lake Balaton is 7 meters long, 4 meters wide and 1.5 meters deep.
