A luxurious property in Csopak, bordering the forest - panoramic views on every level

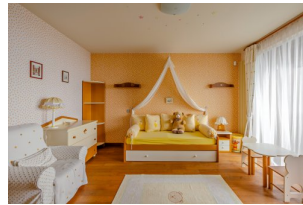

This stunning Csopak luxury property truly caters to every expectation a family might have from their home. Nestled in a secluded oasis of peace and quiet, it combines a small forest area on the northern side with unparalleled panoramic views of Lake Balaton.

Set on a beautifully maintained 3000 sqm plot, the property boasts 605 sqm of usable space, including 1 spacious dining area, 5 bedrooms, 6 bathrooms, a sauna, steam room, jacuzzi, and outdoors, an 8x15 meter swimming pool, offering the utmost comfort for your family.

The house is equipped with high-quality technical features: a camera system, water softener system, cooling/heating air conditioners in every room, Vaillant gas boiler, blinds, blackout curtains, and mosquito nets on the windows.

Asking price for the property: 980 million Hungarian forints.

Please contact us to arrange a personal viewing of this breathtaking property.
