Cayman 26 high-quality electric boat for sale that meets all needs for water experiences. This elegant boat is 8.50 meters long and 2.48 meters wide, providing ample space to accommodate up to 12 people. With a weight of 2200 kg, it offers easy maneuverability, while the 12 kW air-cooled Siemens motor equipped with 8 6-volt lead-acid batteries provides efficient propulsion.

The Cayman 26 has a speed range of 10-12 km/h, which can be reduced to 6-7 km/h in slower mode, providing up to 3-4 hours of operation. The boat comes with a cover for summer and exterior and interior LED lighting, enhancing safety and comfort.

This new boat is manufactured in 2024 and is equipped with several modern features, including Raymarine speed and depth gauges, a Dometic refrigerator (12 volts, 45 liters), a 1000-watt Herzmarine wifi set, and an electric sunroof.

It is important to note that the Cayman 26 can be operated with a small vessel license by default, while reducing the motor to 7 kW allows operation without a license. The boat's service is provided in Siófok, and the manufacturer offers a 1-year warranty.
