If you desire proximity to Lake Balaton at an affordable price, this property could be the perfect choice for you.

Located in Öreghegy, the 924 sqm rectangular plot has two separate entrances on both sides of the area. The entrance facing the lake opens onto a paved street.

The buildable area is 15%, with a building height limit of 5 meters, allowing for a detached structure. Currently, a 39 sqm wooden house in need of demolition, but with full utilities, stands on the plot.
