The property is located in Alsóörs, on the hill, in Hegyalja street. It is accessible by paved private road and is located in a quiet cul-de-sac where this is the penultimate house, so there is no tranquil transit traffic.

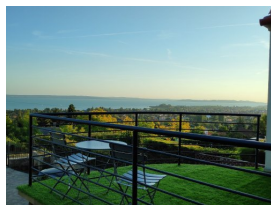

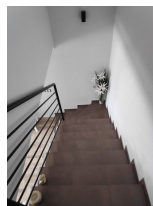

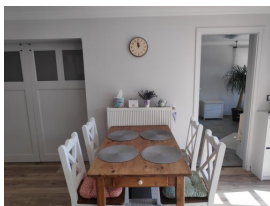

3 rooms, 2 bathrooms, sophisticated and stylish vintage furnishings, full panorama of Lake Balaton.

Utilities: water, electricity, gas, sewerage. The heating is excellent, and the house can be warmed up in minutes for a cozy winter getaway.

Land 352 m² - enough to comfortably accommodate the building with 4 parking spaces and garden.

Its orientation is excellent, the house has a sunny, full view of Lake Balaton all the way to Tihany ... and more.

The house is a nicely built semi-detached house. The property provides a comfortable living space for larger families or relatives, friends. Living here or on vacation is an excellent, uplifting and comforting feeling.
