In addition to the complete wine processing and packaging plant, the building complex includes 9 rooms, 12 bathrooms, wellness, sauna, indoor and outdoor swimming pools, industrially equipped kitchen, and a 300-year-old vaulted cellar.

The property is fenced 2.5 km away and protected by an alarm.

The wines of the estate are among the great Hungarian wines, they win certain gold and silver medals at domestic and international wine competitions.

The sale price is 5,500,000 euros, which includes the entire estate, with the building, plantations, complete equipment, machinery, existing wine stock and the right to use the Name.
