Code: #I34

Price: *SOLD*

Town: Mindszentkál
Floor area: 220 m²
Plot area: 1704 m²
Type: villa
Floors: 1
Room: 5
Heating: electric+tilled stove
Roof: not built in
Garden: yes
Built: 1870

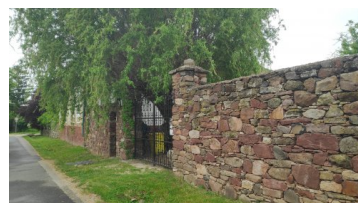

This mansion, built in 1870, stands in Mindszentkál, in a picturesque environment.

Its masonry is 75 cm stone, built in a typical classical style. The structural condition of the building is good, inhabited, it has undergone a complete renovation 20 years ago, where the water pipes, power lines and floor were replaced. Water, electricity, sewer.

5 rooms, kitchen-dining room, bathroom. A total of 5 tiled stoves are used for heating, of which 2 are newly built, 2 are from Zsolnai ceramics, and the stove is also from the past. The kitchen has a built-in glazed tiled foal stove, an ethnographic museum piece that has retained its original function. Rooms have original deck floors. The floor of the currently lounge or small living room and kitchen is original stone inlaid with high abrasion resistance.

The interior height of the house is 375 cm, original typical wooden doors and windows with shutters.

The cozy landscaped garden has its own drilled well.
