Spend this summer in your own holiday home in Balatonalmádi!

Its excellent location makes this property even more attractive, as located at the foot of the Öreghegy, 400 meters, approx. 7 minutes on foot from the beach.

The property, which was completely renovated in 2020, has large bright spaces. On the ground floor there is a spacious living-kitchen-dining room, a master bedroom, a bathroom and a children's room. Upstairs there are 2 more rooms, a spacious living room, a toilet and a bathroom. In the basement, in addition to the engine room and the laundry room, there is also a summer kitchen, pantry and other storage rooms, as well as a room prepared for a sauna. In the garden there is a children's castle, a sandpit, a car park, a green area with a high bed, and a Japanese garden.

The energy supply of the house is fully covered by the solar panels placed on the roof. It is heated by a gas boiler. The windows have mosquito nets and electric shutters.

Its built-in furniture all testifies to the good taste and sophistication of the owner.
