For sale in Balatonfüred (Balatonarács) 2 plots, altogether 3311 sqm on the outskirts of the city, with panoramic view of Lake Balaton.

The plots are located in the area bordered by Oszlop and Határ Street, with 3% above ground and 5% underground built-in ability.

The area has a drilled well, vaulted cellar, water, electricity. Peaceful home on the edge of the town, a few minutes from Lake Balaton and the city center.

The public lighting and sewerage system was completed on Határ Street in 2019, so the area may be an interesting purchase from an investment point of view.
