Features of the multi-generation house in Balatonfüred:

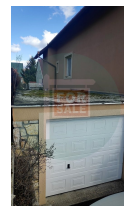

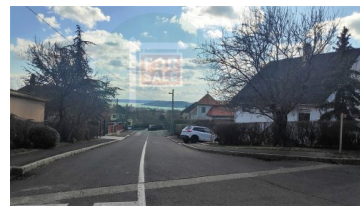

The house is located in one of the most beautiful parts of Balatonfüred, in the Upper Town, in a quiet, peaceful environment.

Located on three separate entrances, the apartments provide comfortable accommodation for several generations. It can be great for renting apartments or for local business employees. The Lake Balaton is approx. 1 km away, within easy walking distance. Its location is excellent as the medical office, shop, church, gym, schools, kindergartens can be reached in 5-10 minutes.

Its heating is self-supplying, it has gas circulating heating, with separate temperature control on each level to ensure economy.

The property was renovated in 2000 with new windows and doors, the external heat insulation is Dryvit 5 cm thick, the roof is Canadian shingle.

There is parking in the 15 sqm garage with its own tilting door, but there is also other parking in the yard. There is free parking on the street.
