This 5200 sqm estate is located in Balatonfüred, near the Bocsár vineyard. The grapes in the area were cut down, the area was withdrawn from viticulture.

The property has water and electricity (3 phases). The prospective owner can enjoy a full panorama of the plot. An island of tranquility and peace for a weekend getaway.

There is a cellar and cultivated vineyard in the immediate vicinity of the area, which is also for sale. This can be found on my website under code number I32.
