The Jeanneau Sun Odyssey series 3-cabin 36-foot sailboat is one of the most popular boats on Lake Balaton. It features a logical interior layout, a spacious cockpit and easy handling. It behaves benevolently even in stormy conditions, so I strongly recommend it to less experienced captains as well.

The sporty look and ride characteristics of French shipbuilders don't go to the detriment of comfort and vice versa: despite its size and comfort equipment, there's no "turtle" feeling from other manufacturers when we get a sharp, fast ride in stronger winds.

The ship, which can accommodate 12 people, provides a comfortable berth for 8 people, with an on-board living room-kitchen, bathroom and toilet.

Equipment: roll genoa, mainsail with latte, TV, Inverter (220 V on water)
